## SR 4DD EMU

We have announced today that we will be producing the Bullied SR 4DD EMU in OO gauge.

There will be two numbered 4-car packs. These will include internal roof lights. Seated painted passengers. Close coupling. And a few refinements we are still working on.

There are two examples still in existence that have valuable in the research in this project. The Bulleid 4DD Double Deck Group have been instrumental in getting this model to where we have it now. The CAD's are being made now.

Prices will be £350 for DCC ready, £380 for DCC fitted and  
£450 for DCC sound

These prices are subject to change.

The Expression of interest is open now.
